STAT

You will find enclosed samples of Canadian Press copy requested in your letter of October 24, 1974, to Conrad Fink.

The cost of this service delivered in Washington, D.C. or at your Rosslyn, Virginia, location is \$100 weekly. Supplies and equipment are included.

The cost would be subject to increases at the end of any fiscal year. We would require the normal purchase order from your Agency prior to installation.

Normally, the Telephone Company requires 18 working days notice for installation.

If service is retained for less than one year, we would also require your agency to reimburse us for shipping, installation and removal costs not to exceed \$250.

Should you have any questions, please don't hesitate to call us in New York or contact our Washington, D.C. representative, Tony Catella at 202-833-5300.

Sincerely,
